ALLEN HANSEN

On October 18, Allen Hansen, a senior West High, was killed when the automobile which he was driving left the road and struck a tree almost directly in front of the Fort Howard cemetery.

Allen, who lived at 816 School Place, came to West from Franklin. The students and faculty express sympathy to his brother Dick Hansen, who is a junior at West, as well as to other members of his family.

IN MEMORIAM

WILLIAM MARTO, JR.

Students and faculty of West High School were shocked and grieved at the death on October 1, of William Marto, Jr., 17, who as a senior was a member of the class of '53. He died in a local hospital as a result of an automobile accident, and according to Coroner Wayne Enderby death resulted from a basal skull fracture.

Bill came to West as a sophomore, entering from He-Nis-Ra Rural School. While in West he served as a projectionist and was awarded a bronze pin for that activity in his junior year. He was also a candidate for the varsity football team this year. The students and faculty express sympathy to other members of his family.

SENIOR AWARDS

VALEDICTORIAN

Eunice Kanning's reward for the faithfulness to her books is the honor of being Valedictorian of the Senior Class of 1953. Throughout her four years, Eunie has maintained a 96.95 average, enviable by everyone.

SALUTATORIAN

Jim Urban follows in Eunie's footsteps with an average of 96.875 to take the honor of Salutatorian for the Graduating Class of 1953. He has always been conscientious about his studies and without a doubt deserves this award.

D.A.R.

Winner of the D.A.R. award this year was Synneva Lier. Her friendly attitude, fine scholastic record, extra curricular activities, and co-operation are only a few of the reasons why she was the winner of this honor.

DEPARTMENTS

ADMINISTRATION

MR. DAUPLAISE

One of the first to greet us upon our arrival as freshmen, one of the last to bid us farewell as seniors, Mr. Dauplaise's calm and humorous personality has impressed every member of the student body. His speeches are a delight to all, and because of him the forbidding inner sanctum of his office is forbidding no longer.

MR. STACKER

A familiar figure standing outside his door in the hall on first floor is Mr. Stacker, West High's Vice Principal. His job, never an easy one, was again accomplished this year with success and vigor. For the most part, his work in running the school goes unrecognized, so we take this opportunity to offer our sincere thanks.

GUIDANCE

MISS RUEPPEL

Miss Eunice Rueppel, our Dean of Girls, is always ready to consider the tiniest problem. With cool good-sense she offers sincere help and constructive advice, holding perpetual open-house in her office for just such worries or for merely an informal chat. (43)

MR. THUNE

Genial and wholesome is our Dean of Boys, Mr. Lars Thune, with an everlasting twinkle in his eye that is the delight of all those who know him. He is the person to whom one goes for everything from a slept-through eight-forty-five class to an excuse for the annual trip to Florida. (55)

QUILL & SCROLL

If you are an active member of the Purple Parrot or Annual Staff you probably belong to Quill and Scroll. This honorary society, advised by Miss Teeters, is composed of students interested in journalism.

This year's program began with a speech by Mr. Frank Taylor. Mr. Taylor is a journalist and the only Green Bay man in "Who's Who." During the year the members of Quill and Scroll also saw journalism movies to help them improve their writing techniques.

Of course, the big event of the year is the Quill and Scroll Banquet. At this event the members are initiated, and awards are given. Members of the Purple Parrot Staff and Annual Staff are also invited. This banquet always proves a glorious end to the club's activities of the year.

MASQUE & GAVEL

This honorary society, under the skilled guidance of Mrs. Wiechers, has been more active this year than ever before.

Many noon hour presentations were given in the auditorium for interested members of the student body. These programs helped the Masque and Gavel members develop poise and the ability to express themselves in an assured manner before an audience.

Throughout the year, Masque and Gavel has given a fine example of what can be accomplished when a group of students are really interested.

ANNUAL BUSINESS STAFF

Once again the business staff of our West High Annual has put forth its best to finance our yearbook.

We know the tedious job of canvassing leading Green Bay stores for ads in our yearbook hasn't been easy. But this isn't their only activity. Members of the staff also had to give their own time to collect money when payments were due on the Annual and this money had to be counted and taken care of.

Do you remember the dance and talent show sponsored by the Annual Business Staff? A program of this sort is given every year and always proves to be one of the year's main social events. We all agree that the Annual Business Staff deserves our congratulations.

PURPLE PARROT

Where do you find out what's going on next weekend . . . what the latest developments of student government are . . . what the athletic teams did last week? The Purple Parrot, of course. Our paper, which is published twice a month, serves as a clearing ground for school squabbles and student news.

The staff of the Parrot is composed of students interested in journalism who hunt up news to keep the paper going. The Purple Parrot is under new management this year and is progressing rapidly.

PURPLE PARROT BUSINESS STAFF

Without the Purple Parrot Business Staff, advised by Miss Oldenburg, the Purple Parrot would not be able to exist. The work of the business staff is seldom recognized, but it must hunt up adds to keep the paper going, collect money for subscriptions, and distribute copies to subscribers and other schools.

They deserve our undying gratitude for their amazing efforts at financing our paper and actually making it possible.

STUDENT COUNCIL

Government at West High is run in a democratic manner by the Student Council, consisting of students from each home room who are elected at the beginning of each year. It is just what the name implies, a student council established for the purpose of obtaining organized student co-operation, arousing school spirit, and acting as a connecting link between faculty and students. This organization was started many years ago, yet its purpose is the same today as it was then—to improve our school.

FOOTBALL

Just as a machine functions best when every cog co-ordinates smoothly so a team is successful when its individual members co-operate fully. Thus it is teamwork that brings results in industry or on the athletic field in the American tradition of "one for all and all for one." That is what our West High Wildcats were trying to prove when they fought through the 1952 football season covered with glory as well as black and blue marks. For the second consecutive year, the drive and spirit of our team brought us the Fox River Valley football championship. Our greatest success of the season was the winning of the East-West game. Congratulations to Head Coach "Frosty" Ferzacca, and his assistants — John Biolo and Pat Malone.

MR. BOWMAN

Have you ever wondered who handles the business matters behind our season ticket plan? Or who distributed the tickets for every basketball game? They are Mr. Bowman and Mr. Delforge, the athletic managers. They see to it that there are men at the gates on the nights of the games to take your tickets, and in general handle all the business for athletic sports here at West. We think they deserve our heartiest thanks, don't you?

Lee Hermsen, outstanding senior left halfback, has not only placed on the mythical all-state team for the second consecutive year, but was the only Northeastern Wisconsin player to make the National Scholastic High School Team. Since he was a sophomore, Lee has been breaking records; and now as a senior he has topped his brilliant high school career by setting a new conference individual scoring record.

VARSITY BASKETBALL

MR. BIOLO

The 1952-53 basketball season started out on a high note, when the West High Wildcats won their first game of the year against St. Norbert's High School. But this glorious start was soon forgotten beneath the pile of defeats which were handed to the team during the rest of the season.

Even though the team did not do so well, the large support of the students at all the games was highly appreciated.

COACH FERZACCA

TRACK 1952

Under the direction of Coach Frosty Ferzacca, West High's '52 track team proceeded to win every meet of the season. It is a championship team of which we write.

The team started out the season by meeting Sturgeon Bay, making a rousing victory of 78-35. They went on to win all of their eight meets, each by at least 11 points. Maybe the most self-satisfying beating of the year was given to East, when the final score turned out to be 85-28.

This was a season long to be remembered by all West track fans, by the members of the championship team, and by Coach Ferzacca.

MISS MAC CORMICK

The first bowling ball of the season last fall began the long roll of activities of this year's Girls Athletic Association. Then before we knew it, it was time for basketball, volleyball, and finally tennis.

In between these changing events were the annual Snowball and G.A.A. Banquet. Remember the big candy canes at the Snowball? You'll never forget that dreamy orchestra which was placed in the center of the floor in a big sled with reindeer flying up to the ceiling.

And the Banquet! Everybody said it was the best one ever. Confidentially we thought so too.

On the whole, the G.A.A. had a really exciting year.

Thanks to Miss Mac Cormick for her guidance in our activities. We wish her the best of luck in the future since she will be leaving us this spring.
